

CALL FOR PARTICIPATION VOCAL 2014

The Veszprém Optimization Conference: Advanced Algorithms
December 14-17, 2014, Veszprém, Hungary
organized by
the Faculty of Information Technology, University of Pannonia
and
the Hungarian Operations Research Society

The 6th Veszprém Optimization Conference: Advanced Algorithms will be held at the Conference Centre of the University of Pannonia in Veszprém, Hungary, December 14-17, 2014. The conference will be hosted by the Faculty of Information Technology, University of Pannonia.

SCOPE

VOCAL conferences focus on recent advances on optimization algorithms: continuous and discrete; complexity and convergence properties, high performance optimization software and novel applications are reviewed as well. We aim to bring together researchers from both the theoretical and applied communities in the framework of a medium-scale event.

CONFIRMED PLENARY SPEAKERS INCLUDE

Michal Kocvara, The University of Birmingham, United Kingdom
Marco Locatelli, Università di Parma, Italy
András Prékopa, Rutgers University, USA
Leena Suhl, University of Paderborn, Germany
Asgeir Tomasgard, Trondheim University, Norway

CONTRIBUTED TALKS

Each accepted paper will be allotted a 25 minute talk or a poster presentation. Authors wishing to speak should submit an abstract via the conference WEB page by September 15, 2014.

CONFERENCE PUBLICATION

Selected papers presented at VOCAL 2014 will be published in a special issue of Central European Journal of Operations Research (CEJOR). All papers will be refereed according to the standards of the journal. Submission to the special issue will be open until February 2015 on the publisher's website.
